“What were you doing when you were forgetting me?”

I was reminded recently of an item of international news from two or three years ago. I wonder whether you saw it. A toddler in China was knocked down and run over in the middle of a busy market. I wonder whether, like me, you were put in mind of Jesus’ parable about the Good Samaritan.

The people of China were shocked by seeing the security footage of the accident which was shown on television. To see such a collision was bad enough but then, apparently, someone walked past the little injured bundle in the road and ignored her.....and then another.....and another. In all eighteen people walked past before the nineteenth, an old lady, could be seen to stop and lift her out of future harm’s way. Little Wang Yue later died. Excuses offered subsequently by those who were nearby included the claim that they hadn’t seen her, that it was a dark day, that the sound of rain stifled her cries, that people are now afraid to help in case the victims sue them, and so on.

These excuses, or rationalisations remind one of the justifications which folk offer for ignoring God’s invitation in another of Jesus’ parables – that of the Great Supper. One man has bought some land and must visit it; another has bought a team of oxen and

must try it out; yet another has acquired a new wife and must spend time with her, and so on.

The parable of the Good Samaritan is about ‘loving others’ – that is, about trying to be selfless rather than selfish.

We often tell ourselves that we are too busy for God or other people. When the account of the neglect of that dying child was read, the excuses offered appeared hopelessly, damningly feeble.

This news item gave us a hint as to how pitifully weak our excuses for our negligence must seem to God. Too busy for God and for others....just read those two parables – one about being too busy for God(Luke Chapter 14, verses 12 – 24) and the other about being too busy for other people (Luke Chapter 10, verses 25 – 37)

An old spiritual exercise in meditation encourages the Christian to imagine the crucified Jesus asking of him, “What were you doing when you were forgetting me?”

“High Peak place of limestone grey, Built in the old traditional way; A Market Place of great expanse, A Duck Pond is there by chance; The public Pump and widespread green, add greatly to this rural scene; Famous for cheese once made by the ton this is the Derbyshire village of Hartington”
written by Mr Ron B Riley 16/4/13

This article and photograph was provided by Mr Riley. There are examples of much of his work, poems, stories and paintings in the village hall. He is also the author of "Alcocks Lamp" a wonderful booklet sharing many memories of Hartington life and its people.

Without this book memories would be lost forever. Many of you may remember the original News and Views when it was first produced and edited by Margaret Partridge and Jean Stone. It was full of stories and poems from senior members of the

community- Mr Bob Woodruff and Joe Slack to name two. Hartington History group, through the Cake and Chat sessions, over the past few years has collected much more and are keen to continue to collect memories and photographs.

Perhaps we could have a dedicated section in the News and Views to do this – it would be good to do the same in Biggin and Earl Sterndale. **If you are interested in helping or providing material from any of the 3 villages please contact Liz Broomhead 01298687263 or email liz@broomhead.net**

HARTINGTON NEWS

Margaret and I would like to take this opportunity to thank all our friends, family and relations for all the cards, best wishes and donations to our charity we received on my 90th birthday, which made it a very enjoyable occasion.

We would like also to thank the Head Mistress and Staff at Hartington School for the excellent dinners they have provided at school for the people of Hartington. We have enjoyed them very much. Thanks to Anne, kitchen staff, all the children and other helpful staff - we await their return.

On the last occasion we had dinner at school we enjoyed the children's Music Festival and later the children sang Happy Birthday and counted to 90. Liz Broomhead produced a cake which we shared out - so extra thanks to Liz for all her assistance to us "old crocks". She is brilliant.

Many thanks, Eddie Mollatt.

Biggin and Hartington Scouts- Trip to Switzerland

Following this very successful trip the Scouts are producing a photographic presentation of their trip. Please watch for posters giving dates and place of this in the next few weeks.

WW1 Commemoration- River of Light

On the 4th August, as part of the WW1 National Commemoration tributes a "River of Light" service was held at dusk, departing from the Royal British Legion Club, led by the Royal British Legion standards. A large group of people including our vicar, Rev'd Benson and chair of the Parish Council, David Annat Esq. Marched from the club house to

the war memorial. Here Rev'd Benson led us in a short service during which the names of those service men of both wars, who gave their lives for their country were read out and due honour was accorded to them. The Royal British Legion Standard then led the people up into church for the concluding part of the commemoration service, which included the creation of the "river of light" with some 60 candles along the chancel floor. This was followed by a prayer vigil until midnight. At 11pm the time was declared, a commemorative candle was lit in memory of every man and woman who made the ultimate sacrifice for us and our country. I would like to thank all those who supported this important service.

The Oddfellows Parade and Feast 13th September

The distinguished and ancient tradition of the Oddfellows Parade and Feast continues, this year marks our 174th year since the dispensation that formed the Hartington Loyal Cavendish Lodge was signed. In this day and age it is hard to think of many things that have endured, and prospered, for 174 years. This year the Hartington Loyal Cavendish

Lodge were joined by members of our sister lodge the Loyal Laurel and Crown Lodge of Parwich, along with a very welcome lone member of the South Yorkshire and North Derbyshire Lodge. The troop of Oddfellows was led by the fabulous Warslow Silver Band, whose rousing melodies gave the cavalcade a spring in their step and whole affair an air of pageantry and festivity. Hospitality was provided at the Village Hall, Parsons Close, kindly hosted by Carl and Cath, the Doctor Surgery and finally at Springfield House hosted by Kate and Richard. The band played a tune at each stop in thanks for the much needed libation and sustenance followed by three cheers from the Oddfellows. Harold, Jennifer and the British Legion team provided a sumptuous buffet for the band.

The Oddfellows and the Warslow Silver Band would like to express our most sincere thanks and gratitude to all of those hosted hospitality or helped in its preparation. Without such generosity the tradition and the occasion would be much diminished.

The band and Oddfellows stopped outside Brother Ron Riley's house and paid tribute to one of our longest serving and much admired members. The band playing tunes in his honour followed by three rousing cheers for Ron and his wife.

The feast this year was held at Springfield House and kindly prepared by Kate Craven. As tradition has it the menu comprised of soup to start, followed by roast beef and plum pudding for desert. Brother Richard Craven said grace and following the feast gave a speech on behalf of the hosts followed by a reply on behalf of the Loyal Laurel and Crown Lodge. Toasts were made to both lodges and to Her Majesty the Queen. The feast was magnificent and grateful thanks were showered upon Kate by the now distended and swaying party. Brother Keith Hawley, the lodge bard, then regaled what was now a rather noisy and tough audience with ripping yarns and tales of local mysteries and joviality.

As the evening wore on we turned to the subject of our 175th anniversary in 2015 and what we should do. We all agreed we ought to raise money to make it a momentous event and to support local causes, at which point Danny Graham declared that he would raise £200 there and then. The now silent crowd enquired in unison, "But how Danny?", to wit Danny replied he would swim the mere!. It has to be said I have never seen so many £10 notes fly around a room so quickly and before we could say anything more Brother Danny was walking down the path shedding his suit, shirt and shoes. His length of the mere was

comparable to any aquatic creature any of us have seen, he bobbed up and down, gracefully slid through the inky blackness like some leviathan from a Herman Melville tale. Three cheers to Brother Danny Graham. Please join us next year for our 175th anniversary and please do follow the parade and participate in the hospitality provided, in particular Kate and Richard would like to extend an invitation to all in the village to join them on the lawn at Springfield House for a drink a bite to eat and to listen to the band.

Brother Richard Craven

Hartington Wakes and Sports- Sunday September 14th Hartington Wakes Sports & Country Show proved a great success with the weather on our side we had a record public attendance and lots of exhibits to keep everyone well entertained throughout the day.

The indoor market was a popular venue with home-made produce, clothing and crafts, as was the Handicrafts which attracted well over 250 entries, it was great to see the local children's contributions especially the very popular 'animal out of a vegetable' class!

There were many exhibits in the Vintage section, the biggest we have ever had so this made for a 'Very Grand Parade' indeed.

Each section had record turnout, especially the sheep who had the honour of the 'biggest show of Texels in Derbyshire' and the Main Ring entertainment kept large crowds amused all day with a very close contest of 'Chase the Bunny' finishing things off at 5pm.

The committee would like to thank everyone who came to help set up and take down, especially Mr Richard Sherratt & sons for the use of the field and who put in many hours to get everything ready. Also to all who attended which made this year so good, we hope it will continue into the next!

Hartington Community Group meeting September 1st- This was well attended by the representatives of many of the village groups. The village calendar of events was reviewed and

confirmed. The group will be supporting the Harvest Supper, Remembrance Concert and Christmas Tree Festival. In the new year it is hoped to establish a sub group to support the production and development of our news and Views- if you are interested in helping please contact Liz

Hartington History Group- Several members of the Community Group are drawing up plans to work with pupils at Hartington School from now until 2018 on a number of projects associated with the World War One commemorations. Running throughout the four years will be a time-line, which will highlight significant events of the War, particularly where there was a connection with Hartington. Topics which are likely to be included are:

Life in Hartington prior to WW1;

Why the War happened;

The response to WW1 by the people of Hartington;

How the lives of women were affected by WW1.

The letters and field notes of Frederick Birch of Hartington, which vividly bring to life the experiences of a soldier training in the UK then seeing action in Northern France during the later stages of the War, will be used as a resource.

New Church Guide for St Giles Church Hartington - How much do you know about our Church or the history of the village or St. Giles? Did you know that the Church dates back to 1250 and has some important ironwork and stained glass and paintings? It is all in the new Church Guide now printed in colour and available from Church for just £2.

Village Hall News The Village Hall AGM this year will be held at 6pm on Tuesday 21st October 2014 in the Bakehouse. Everyone is very welcome to attend and contribute thoughts/ideas to the Committee about the management and development of the Village Hall. Posters will go up in the Village closer to this meeting.

The AGM will be my last meeting as a Trustee as I will be stepping down after nearly 8 years on the Village Hall Committee. However, I will remain as a volunteer, helping with events and fundraising as I can. This leaves a Vacancy for Secretary on the Committee. Anyone interested, please contact me (Janet Bray) on Tel. 84417.

It also means that the Village Hall Committee is in **URGENT NEED** of Trustees to manage and develop

the Hall. The Hall belongs to the Village. It is merely held in Trust by the Hartington Village Hall Management Committee. It may sound daunting to be a Trustee of a Charity because it has a legal regulatory framework, but there are clear guidelines to follow and plenty of help available. Because of the Volunteers available to: open/close the Hall to Hirers; take Bookings; clean the Hall; and help with events, the general running of the Hall has become much easier. In addition, there are only 4 meetings per year to attend: 6pm on the third Tuesdays of October (AGM/General Meeting), and January, April and July (General Meetings). PLEASE consider joining the Committee. We have a wonderful Village Hall but without enough Trustees, it may be forced to close. Please speak to any of the Committee members to find out more about becoming a Trustee and the management of the Hall. They are currently, me (Janet Bray), Garry Booth, Ian Parsons and Mick Parsons. Alternatively, come along to the AGM on 21st October 2014. Thank you.

We are also looking to augment our brilliant group of Volunteer Cleaners. Currently, there are four who take it in turns to clean the Hall each week. This means that each one cleans the Hall 2 or 3 times (depending on bookings) during one week each month. It takes about an hour each time. However, with more volunteers, this will lighten the load even further. Please contact Liz Broomhead on Tel. 687263 or me, Janet Bray, on Tel. 84417 for any further information or to volunteer to help. Thank you.

Finally, I would like to take this opportunity to plug the **Village Calendar**. As you know, all the photos in it were taken by local people and feature scenes in and around our beautiful Village. **All proceeds** will go to the Village Hall. The cost is £7.99 (a bargain!) and will make wonderful Christmas presents and mementoes for friends and family. They are available to buy at: Beresford Tea Rooms, The Village Store, A&S.PEACH Newsagent & General Store, Hartdale Motors, The Rook, Cocoa Grove and The Cheese Shop. They will also be available to buy at the Christmas Tree Festival in the Village Hall or alternatively, please ring me on Tel. 84417. Get your copy now, before they all sell out! Thank you.

Later Janet Bray planted bulbs and perennials- the result – lovely. A big thank you to all involved.

Women v Cancer Cycle Cuba May 2014 - thank you to everyone who supported me over the last 18 months by training with me, fundraising or sponsoring me. Thanks to you all, I managed to raise £3964.00. It was an amazing experience cycling 450 kilometres with 100 ladies through a truly beautiful country. Thanks again. Sandra

Biggin WI - July Eleven members and one new member met for the July meeting when Sandra McCurrach was the speaker. She told members of her “Action for Charity” cycle ride through Cuba. The charity covers Breast Cancer Care, cervical and ovarian cancers. 100 ladies cycled 400K in five days with each participant pledging £2,900. Her film showed that although Cuba is more accessible, communism is still a big influence with compulsory National Service and rationing for food and clothes, although it has a similar school system to ours. She was warmly thanked by everyone for her efforts. During the business part of the meeting the members were reminded that they would be able to put forward any ideas for change at the September meeting. J. Brindley

Biggin WI- August- It was a beautiful summers’ day for our trip to Castern Hall and what a lovely afternoon it turned out to be. From the slightly run down house of the 70’s, it has been transformed by the present generation of the HURT family into a

beautiful, comfortable and welcoming family home which is now licensed for weddings. Afternoon tea was taken in the huge family kitchen and everyone agreed it was a most enjoyable way to spend an afternoon J. Brindley

Biggin WI- September- Alan Roberts was the speaker at the September meeting when he gave a very interesting talk about the Wye Valley, its history and landscape. The speaker at the October is Katy Lane who will tell us about Huggetts (Malawi) J. Brindley

Biggin Park Re-development -- What, Why & When...

The park in Biggin was installed after the hard work and fundraising of the local community, it’s been in use for nearly 20 years and is starting to need a lot of money spending on it to remain safe. Therefore the committee who look after the park (Biggin Community Project 1997) have taken the decision to re-develop the park.

The works will include a new fence with 2 entrance gates and all new equipment. The equipment will be an exciting mix of modern and traditional pieces; we've taken inspiration from local popular parks and also from the children in the village. You can see the full 3D plan to get a better idea of the park design (displayed in the Waterloo Inn, Biggin). It will cost approximately £50,000.00 to do all of the works, to date (September 2014) we have raised £25,000.00 from applying to grants and local companies for donations.

We plan to undertake the works in 2 stages; phase 1 will include the fencing and 2 pieces of equipment, this will start in October 2014. Phase 2 will complete the park and this will start in 2015.

We hope that we won't have to close the park completely during this time, but some areas of the park will have to be closed off and we apologise for this inconvenience, but we're sure the end result will be worth it!

For more information or if you have any questions, please contact any member of the committee, or Claire Woodroffe (secretary) on 01335 310103.

Thank you Andrew, Ged, Christine and Sandra and all the family would like to thank everyone for their kind messages and cards following the recent loss of their mum - Dot Gilman. She will be sadly missed by all the family. All donations are to Macmillan Care in Derby.

ALSTONEFIELD AND DISTRICT FRIENDSHIP CLUB

On Wednesday 8th October we are going to prison! Well, not exactly inside the prison, but to enjoy lunch at Sudbury Prison's Secret Diner, which is just outside the prison – a great place for cheap but tasty lunches as well as providing valuable training, experience and qualifications for some of the prisoners. There will be time to visit the prison's very small farm shop, and we will then call at Fairways Garden Centre, just outside Ashbourne, which is a good place for plants and gardening requisites, as well as gifts, cards, craft items and a very good tea room.

Our Christmas shopping trip on Wednesday 12th November will again be to Burton-upon-Trent, because it is so popular with members – lots of really good shops, and all under cover. Please contact Lorraine on 01335 310353 or Ann on 01298 84394 for more information or to book your place on the bus for either or both of these outings.
