I was asked recently what the element “mas” means in words such as “Christmas” and “Candlemas”. It is, of course, short for the word “mass” – a very common ancient term for Holy Communion.

Where the word *mass* came from and what it originally meant has occasioned much inconclusive speculation over the years. Some authorities connected the word with the Hebrew term *missah* – an “oblation”, or offering. Others suggested a link with the old English *maesse* – a feast.

We know for certain – from the evidence of some very early service books – that the word “mass” could originally indicate almost any part of the solemn worship offered by the Church. Thus, the Latin version *missa* was variously

applied - to the Scripture readings; to those particular prayers called Collects; to the regular “Offices” said by the monks and so on. Eventually, the word “Mass” came to refer only to the principal service of the Church; the Holy Communion. The word itself seems to come originally from the Latin phrase with which the people heard the priest dismiss them, “Ite missa est”.

Perhaps it is not wholly inappropriate that something so mysterious as the Holy Communion is often called by a word which is rather mysterious in itself!

Civic Chairman's Community Awards 2018 - The Chairman of the District of Derbyshire Dales, invites nominations for the 2018 Community Awards. Do you know someone in Derbyshire Dales who deserves recognition for the work that they do in their local community? They may be the driving force behind a local organisation or an individual who goes out of their way to help others or improve local facilities or the environment. The people we want to hear about are those who “make the wheels go round”, without previous recognition of their efforts or expectation of reward. If your nominee is chosen for an award Councillor Flitter hopes to present them with a certificate at a local event that involves those who benefit from their work. If a suitable event cannot be identified they will be

invited to meet Councillor Flitter at the Town Hall in Matlock.

Simply type **DDDC chairman's awards** into **Google** and it will take you to an on-line nomination page - or request a nomination form by calling 01629 761375. You will need to give your details, the name and address of your nominee and a description of why you feel that they are deserving of this award. **Please note that both you and the person you are nominating must live in the Derbyshire Dales.** The closing date for nominations is Wednesday 28 February 2018.

HARTINGTON NEIGHBOURHOOD PLAN PRESENTATION IN VILLAGE HALL

Saturday 10 FEBRUARY - 10 to 4 pm and Sunday 11 FEBRUARY - 11 to 2pm

We are making good progress on our Neighbourhood Plan which, once approved by the majority of residents, will be part of the Peak Park's Planning Policy for this village. Our presentation will cover the results of our Questionnaire, ideas for a Village Development Boundary, which green spaces need protection and many of the other policies you will vote for in a referendum on the Plan, probably in the spring/summer of this year. Now is your time to comment and influence our thoughts before the Plan is finalised. Please just walk in and see the boards detailing our progress to date. Members of the Parish Council and Neighbourhood Plan Steering Group will be there to answer your questions.

Hartington Village Hall update - Following concerns over the financial viability of the Village Hall, which has made operating losses over the past two years, together with the resignation of two of the three trustees, an Emergency General Meeting was held on 4th January. At a well-attended meeting, with most of the current groups that use the Hall being represented, a new group of seven Trustees were elected. They are Keith Quine (Chair), Liz Broomhead (Secretary), Garry Booth (Treasurer), Anna Wardle, Andy

Farmer, Leon Goodwin (Bookings Administrator) and Sarah Lacey. In addition a further eleven individuals offered to join a wider Management Group that is representative of almost all the current local user groups. However it must be stressed that any individual can join either as a Trustee or member of the Management Group at any point in time by approaching Liz, our Secretary, in the first instance.

The viability of the Village Hall, set up as a charity for the benefit of the community, is totally dependent on the time, energy and skill sets of volunteers. Having already taken steps to reduce, where possible, costs the trustees, who next meet on 23rd January at 6.00 in the Bakehouse, face some difficult decisions. It has become clear that we need to address long standing issues such as replacing a 40+ year old boiler and to undertake a complete kitchen refurbishment. Such developments will only be possible through successful grant applications which usually require a degree of matched funding.

Among the current trustees there is a healthy mix of skills and experience including project management, successful bid writing, previous charity experience and event organisation. However it is clear that we will need to come up with a new charging structure as well as establish a series of fund raising activities to build up the matched funding needed to underpin a successful bid. We are delighted to announce a new collaboration with 'The Farming Life Centre' based in Bakewell which, on Tuesday 27th February at 1.00 will see a 'Rural Social Group' established to come together monthly in our Village Hall.

PTFA- As always the PTFA has been very active in organising fund raising events to support our village school. The Christmas Fare, held in the Village hall on December 3rd was a resounding success and included a visit from Father Christmas. A grand total of £633 09 was raised. After the School Nativity in Church, the annual Pie and Pea Supper and Raffle Draw was held; an amazing total of £1,400 was achieved. The PTFA is very grateful to everyone who came and supported these event as well as the donors of the generous prizes for the Raffle. Thank You.

Christmas Tree Festival- The Christmas tree festival which was held in St Giles Church, Hartington at the beginning of December was once again a huge success. The event commenced with a vintage tractor run on the Saturday afternoon, and a display of vintage static engines on the village green. Following the light up of the beautiful tree in the village centre, mulled wine and mince pies were enjoyed in the Church whilst people wandered around the 20 trees, which had been decorated by groups and businesses in the village to depict "Merry Christmas". The original ideas for decorating the trees never cease to amaze me, and included "The Ghost of Christmas Past, Jingle Bells, Snowman, Scents of Christmas, Reindeer to name a few.

On Friday, 15th December the "Sing along Carols" was held in the Village Hall, with entertainment provided by Philip Goodwin and Margaret Partridge, with special solo pieces Courtney Slack and Harry Wardle. A buffet was enjoyed and a special visitor also arrived to give presents to the elder members of the community. The celebrations altogether raised £500+for Hartington Community Group. My grateful thanks to the groups, business and people who supported the event by either taking part, assisting or giving donations, it is very much appreciated. Lesley Birch

Hartington C of E Primary School

As always the lead into Christmas is hectic but very exciting and enjoyable. Alongside the preparations for the festive time, Years 5&6 took part in Bikeability - Level 2 which involved training out on the village roads, years 3&4 undertook Level 1 which took place in the school yard on a very cold freezing day. Every 6 weeks we are holding a Celebration Assembly, whenever possible in Church. Our last one was held on the 1st December in school, because it was so cold. We had an excellent attendance of Governors, Parents and friends. This coincided with the

Termly visits from Peace Proscovia - A Uganda International Netball player who is based at Loughborough University. She shared with the whole school "Christmas in her Uganda Village" she visited the church and saw the Christmas Trees and Childrens display. The children are following up with letters this term and we are planning for the children to track Peace and her Uganda Team when they participate in the CWG in the Gold Coast.

The PTA Christmas Market raised £632.37 after expenses. The School Nativity "Tinsel & Tea Towels" (Ofsted came calling) was followed by Pea & Pie Supper in School which raised £1400.72 after expenses. Thank you to everyone who donated prizes or helped in any way at both events. Sadly 2 events had to be cancelled due to the bad weather- our visit to "Chesterfield at Christmas" and the Sports Plus Festival.

Community Lunch was Christmas Lunch combined with a Christmas Jumper Day in aid of Children in Need. It was an excellent affair with music provided by our temporary caretaker, Graham Hipkiss-Hicks, on the French horn. A Christmas Raffle was followed by a Christmas Bingo session both of which were conducted by key stage 2 children. The New Year has brought many new and exciting opportunities, the first of which was the Change 4 Life (C4L) Conference for 2 Year 5 Pupils, Niamh Mellor and Winola Watkinson. Mrs Broomhead took them to the ARC where they were given training and support in how to run a "C4L Sports Club" This will ensure that every child is receiving 30 minutes of physical activity every day and gaining an understanding of Healthy Eating. MAST continue to provide excellent collective worships each month, which are interactive with the children. The first Community Lunch of 2018 was held on January 26th. Rachel Wilkes, Music Partnership, is providing a 10 week programme of Curriculum Music and we continue to run Tai Chi Sessions both in the curriculum and after school. Derby County Community Trust also continue to deliver sport on Tuesdays with an after school club. This term the children are enjoying dance and gymnastics.

We were sad to hear of the death of Mrs Ruth Prime; such a lovely lady who had attended our

Community Lunches for many years. The children would enjoy talking with her over lunch, especially about her favourite football team Manchester City. The two other city fans, Jacob and Maddie, would sit either side of her at the table and help with her raffle tickets and bingo when we played. The Manchester City scarf, which Jacob gave her, she took with her into the Care Home at Great Longstone. She also enjoyed meeting many of the older members of the community who were at lunch and talked through fond memories of her life in Hartington. She will be missed by us all.

The Farming Life Centre- Have you heard of our small, but well established charity nestled amongst the hustle and bustle of the Agricultural Centre in Bakewell? We have a friendly team of staff who can provide health, well-being and business related information and support to the farming and rural communities of the Derbyshire and Staffordshire Peak District. In all our work we strive to improve the resilience of the rural community by supporting residents of all ages and their families to deal with their challenges in a timely way.

Over the years the charity has successfully developed and run projects in the fields of mental and physical health, heritage, the arts, business support and development, skills development and confidence building. During the last year we reached over 300 rural residents and farming families. One element of our work which has proved to be very effective are our 'Rural Social Groups'. We have several established groups around Derbyshire which are well attended by residents of rural and farming communities. They are a great way to meet new people, catch up with friends, share memories, listen to guest speakers and occasionally visit local pubs and cafes for a meal out.

We are very much looking forward to launching a new 'Rural Social Group' in Hartington; with the first meeting being on Tuesday 27th February, 1pm – 3pm in the Village Hall. Please come

along if you can, a very warm welcome will be waiting for you. Rachel Metcalfe-Rural Social Group Coordinator. 01629 810903 rachelmetcalfe@thefarminglifecentre.org.uk www.thefarminglifecentre.org.uk

BIGGIN NEWS

Biggin C of E Primary School - The last weeks of November and school days in December were dominated by Christmas activities and most

notably, preparation for the Concert. We put on two plays: The Gruffalo, performed by KS1, and Papa Panov, performed by KS2. As always, the Village Hall was full as parents, grand-parents and other friends and relations came to support the children. I was delighted with the performances; as one parent put it, "The best show yet!" What was even more important, and very obvious, was that, despite their nerves, the children so clearly enjoyed themselves. After the concert, Friends of Biggin School organised activities which, with the raffle, were very successful in raising funds to benefit the children of the school.

I was unable to attend the Church carol service due to the forecast of snow. However, it was well attended and the children's contribution was provided by the Music Club led by Claire Kilner. We had intended to hold the Christingle and Nativity Service in Church on 15th December but the pavements and road were treacherous due to frozen snow and ice. The service was held in school instead, led by the Y6 pupils who had worked with Julia Hewgill. Each child received a traditional Christingle orange and afterwards refreshments were served. A donation was made to the Children's Society to support its excellent work.

Other events were: the arrival of Christmas cards from Slovakia; the school party (organised by Y6 pupils); the pantomime at Buxton; Christmas lunch; and the staff enjoyed a delicious evening meal at Biggin Hall. This year, the lunch was held in the Village Hall which gave us space to invite Governors and other friends who have contributed so much to school life. Amongst them was Lynn Burrow who, as a Peak Park Ranger, has worked with the children for many years. She is now being redeployed to another area and we will miss her. Lynn's final contribution to the school was to spend two cold days constructing a new willow dome on the school field.

The term ahead will be a very challenging and busy time for the Governors in particular. As well as the usual round of meetings, important decisions will be made regarding my successor. We also have a few exciting events planned for the children for later in the term.

Biggin WI- Unfortunately the Christmas meal we had planned at Newton House in December had to be cancelled due to the bad weather. The January meeting opened with Mary wishing everyone a Happy New Year. The Christmas meal was discussed and rebooked for February hoping that the snow will not stop us this time. Outings and fundraising ideas for the coming year were raised and members had plenty of good suggestions. Sandra collected the subscriptions for the year and the programme will be given out at the next meeting. Julia did a talk on the Art and History of silhouette cutting showing us some of the techniques used and how complicated it is promising to let us have a go next time ! Tea and biscuits finished off the evening

WATERLOO INN- Happy New Year.

Well, Christmas and the New Year are over and we look forward to another year. We had a very busy Holiday period and hopefully a lot of fun was had at our many events. We raised a lot of money for various charities this year: Breast Cancer, Derbyshire Air Ambulance, Buxton Mountain Rescue and Save the Children. We have supported the Biggin Lower School, Biggin Village Hall, Hartington Cubs and Scouts, Biggin Harvest Supper and the Fashion Show, and the Family New Year Party by attending and/or donating raffle prizes.

The calendar for next year is yet to be sorted but Ray 'Guitar' Pickin' has been booked for the 3rd February, starting at 9pm. We thank all those that attended the Charity Darts and Dominoes tournament during the Christmas period, Richard Bradbury won the dominoes and Paul Allen won the darts, each receiving a meal for two at the Waterloo Inn. Also, thank you for all who attended the Charity Quiz Night. Richard Bunting won the cash prize. Thank you for all the raffle donations. These two events together raised over £150 for the Air Ambulance and Buxton Mountain Rescue. Jack and Amy Leslie won the Christmas Jumper guess 'What turns Jon into an ELFY SCROOGE GRINCH? With a Christmas Tie – they won a cash prize of £26, with £26 going towards the Save the Children.

We are recruiting staff for a March start: kitchen assistant, cleaner, bar staff and chef/cook.

Experience isn't essential as training will be provided. If you are interested in any of these positions please call in or telephone us for a chat – 01298 84284.

Earl Sterndale School - We are now back into the usual routine of lessons after a hectic Christmas period. The Christmas concert was a

fabulous, musical extravaganza which included a Christmas cantata, ukuleles, a staff band, Christmas carols and our traditional all-join-in 12 days of Christmas finale. This followed our community Christmas dinner where we had almost 100 people sharing a Christmas dinner. There was also time for a Bingo / Quiz Night before we broke up.

History Project - This term we are planning a local History project. If anybody has any interesting facts, pictures or tales about Earl Sterndale, please let us know. You could call 01298 83263, email on info@earlsterndale.derbyshire.sch.uk or pop in for a chat and a look round.

Outdoor Learning - We are also taking the children on a lot of outdoor trips – the Infants will be going to Whitehall every week to do indoor climbing and the Juniors are going caving. We've had scooter training.

After School Clubs - We are running a series of After School Clubs – Arts and Crafts on a Monday, Multi-Sports on a Tuesday and Parent and Child Fitness on a Wednesday. We are doing a Booster Club for the older children as well, which is aimed at helping them to use the skills they have learned in preparation for SATs in May.

Charity Fundraisers - The children are currently planning a fund-raising event for Save the Children which they researched and chose themselves. There are plans for a cake sale, a bring-and-buy sale and a sponsored dance. We will also be having a 'wear yellow day' for a Liver Disease research charity.

Coming Up - After half-term, 11 of the Juniors are going on a residential trip to Whitehall for a week of outdoor activities. This is always a great week and the children return tired but delighted at having had the chance to take part in so many exciting and adventurous activities such as mountain biking, rock climbing, abseiling and caving.

to look ahead at the programme for 2018. We will be taking names for the first outing of the season on 11th April – an all-time favourite – a carvery lunch at The Boar's Head at Sudbury and then on to Berkeley Park Garden Centre, with plenty to look at – gardening, gifts, crafts, clothing and a very good restaurant for tea and cake! We are always pleased to welcome non-members to our meetings and outings, either as a member or just on the odd occasion. Transport can be arranged from many villages in the area if you let us know beforehand.

Some people think this is just a club for old people, but, although we try to ensure that access for people with limited mobility is good wherever we go, the programme is very varied and suitable for all ages. This year, our 60th birthday year, amongst other topics, we are celebrating the built, natural and cultural heritage of the South West Peak – and, of course, there will be a party! We are also hoping for one or two people to help out on occasion, so if you feel you might be able to come along to meetings and/or outings sometimes and give is a bit of help, please do get in touch.
