## God in Jesus, "The same yesterday, today and tomorrow"

I was lucky enough to spend February with the Anglican monks at Mirfield in Yorkshire. There was a diet of four or five services each day, mealtimes and private prayer, meditation and reading.

One of the things I read which gave food for thought was an old argument put forward by David Jenkins who was a controversial, radical Bishop of Durham. He was arguing in the early 1990s that the Church should ignore the practice of 2000 years on the grounds that God is not in the past but only in the present and future! I was astounded by this assertion on the lips of a Christian clergyman. It is fundamental to the idea of God in the Jewish, Christian and Moslem religions that God stands outside time in eternity but also inhabits time which is his creation.

Leaving aside the very nature of God, there is human experience. Human beings are sometimes conscious of God's presence in the present and they "see" Him in faith and hope in the future and also at the end of time. They also very much see God when contemplating the past in which He revealed and reveals Himself. The Old Testament Scriptures were mostly written a significant time after the events they deal with in

Jewish history. Looking back, the people of Israel could "see" God clearly in their national life. The Christian Scriptures were written merely decades after the time of Christ - but early Christians "saw" God in the Jesus of the (recent) past, - and millions still do.

Ordinary people can often see a pattern, a purpose, a meaning when they look back on their lives which they couldn't see at the time.

The same day as I read the words of Bishop Jenkins, I picked up a newspaper which told of how three Americans on holiday in France saved countless lives when a man with a machine gun burst into their carriage. As luck – or providence – would have it, two were soldiers and tackled the man – whose gun jammed.

These heroes of the hour were deeply moved by their experience. Looking back they felt that their whole lives had been a preparation to put them in just the right place at the right time. Their faith was deepened.

I wonder whether the late Bishop Jenkins, from the vantage point of eternity, can now see purpose in his own past and God inhabiting it!

Richard Benson,  
Vicar

## **Hartington Town and Nether Quarter Parish Councils**

Hartington Nether Quarter Parish Council would like to raise awareness of an increase in the number of cases of dog fouling in Biggin village. Unfortunately, this is causing a significant problem on the pavement on the approaches to Biggin Primary School. This is a serious health hazard for young children. In addition, parents have reported the obvious irritation of children's shoes becoming 'soiled' and the consequences of this are unpleasant.

Hartington Town Quarter Parish Council has also received complaints about dog fouling in Hartington village, particularly in the vicinity of Bankside and Dig Street.

It is appreciated that there are many responsible dog owners in both parishes; however, a minority may be either allowing/accidentally allowing their dogs out unsupervised or are failing to 'pick up' after their dogs have fouled pavements and public spaces.

As detailed on local authority notices placed on waste bins and various poles in the parishes, all

the bins in both parishes are now dual-purpose bins and can be used to deposit sealed dog waste bags. These notices also advise that there is a fine associated with permitting dog fouling in public places.

Both parish councils are, therefore, appealing to all dog owners to try to act responsibly, for the benefit and health of both communities, particularly vulnerable young people.

Thank you for your assistance with this matter

Mrs S Hampson - Clerk -Hartington Nether Quarter Parish Council and Hartington Town Quarter Parish Council

**BIGGHARTS-** On February 5<sup>th</sup> we entered 2 teams into a Mini Basketball event. The children showed great determination and skill winning 2 games, drawing 1 and losing 2 matches, participants were; Alex Kirk, Finley Harland, Erynn Wilton, Alyssa Kirk, Jasmine Leslie, Caelen McKone, Niamh Mellor, Winola Watkinson, Ebony Lea, Annabelle Garlick, Harvey Smith, Lucy Critchlow, Tom Debes, Evie Allen, Isaac Blackwell and Brenda.

On March 12<sup>th</sup> we competed in the High 5 qualification event for Years 5 & 6. As always we played against schools often 10 times larger than Biggin and Hartington combined, and yet the performance and attitude of BIGGHARTS children is outstanding. We came 2<sup>nd</sup> in our section, missing out on first place by 1 point. Results were Won 2-0 against Clifton, won 3-0 against Ashbourne B, won 1-0 against Norbury drew with Ashbourne A and finally losing to the eventual winners of the section Hulland. Those who took part Sam Wright, Ruby Debes, Niamh Mellor, Jasmine Leslie, Jasmine McCarthy, Abigail McCurrach, Daisy Lowndes and Erynn Wilton

**The Fire Fighters Charity-** Firstly, a huge thank you to all the people who have kindly donated books so far, as soon as I delivered them to the store people were snapping them up, you all must have very good taste in books!!! Secondly, I'm collecting used good quality books

of any sort for charity. The books will then be sold off and all proceeds will go to this year's chosen charity. Sainsbury's at Kingsway in Derby are selling the books, members of the public voted for The Fire Fighters Charity as their charity for the year.

The Fire Fighters Charity actively supports fire fighters in need. The charity provides rehabilitation after an injury getting fire fighters back into their active role as quickly as possible.

If you have any unwanted books, they could be fiction, non-fiction, children's books, reference books, history/cook books, any sort of book really, I would be very grateful of any donation and happy to collect them from you at your convenience. [helendebes@googlemail.com](mailto:helendebes@googlemail.com)

01298 83358 or 07974025198 Many thanks.  
Helen Debes

**Farming life – Rural Social Group – March 27<sup>th</sup> and April 24<sup>th</sup> 2-4pm Hartington Village Hall.** Following the highly successful session held on February 27<sup>th</sup> we are looking forward to the next sessions which will include some interesting topics and activities. Everyone is welcome, "the more the merrier" we can strongly recommend the home-baked cakes. If you want more information, please ring the Farming Life Centre- 01629 810903. Hope to see you there.

## HARTINGTON NEWS

**Thank You-** The family of Mrs Ruth Prime would like to thank everybody for their kindness, sympathy and generosity since her death, and for making the day of her funeral so memorable. We would especially like to thank Maddie Wager and Jacob Blackwell for taking part in the service with their Manchester City scarves, which would have delighted Ruth's heart. We are very sorry we can't write to everyone individually.

**SNOW WARDENS** -All of Hartington should be grateful for the work and effort of Alan and Stuart Grindey and Brian Broomhead for clearing and salting pavements through at least 4 major snow events this winter. They use a supply given to the Parish Council by DCC to keep pavements clear. **HOWEVER, FOR NEXT YEAR - WE NEED A HELPER FOR DIG STREET!!** The above are happy to deal with the centre of the village but it would be great if someone in Dig Street could keep that pavement clear. We will supply the salt and Alan can quickly explain the ropes so no one need worry about any form of liability. Anyone interested please let me, Alan, Liz or Brian Broomhead or any member of the Parish Council know. Thanks in advance. DAVID ANNAT

**Hartington Village Hall Update** - Very encouraging progress has been made by our trusty volunteers in the past 10 weeks. We have completed a range of necessary administrative tasks and reorganisation of the kitchen and storage areas to the benefit of future users of the Hall. Please visit our new website, <http://hartingtonvillagehall.co.uk/> where you can access our calendar of activities.

The first of our new monthly **craft fairs** takes place on **Saturday 21<sup>st</sup> April from 11.00** and we hope many of you will come along and browse. A further event of considerable local and regional interest will occur on **5<sup>th</sup> May** when Alan Salt will hold an **exhibition relating to the former cheese factory**. In addition, members of the History Group will be present to show their research into various aspects of our community.

Please consider booking the Hall for children's birthday parties, as well as family events for the young at heart  
([bookings@hartingtonvillagehall.co.uk](mailto:bookings@hartingtonvillagehall.co.uk)).

The Village Hall is still interested in further volunteers coming forward from the community, most notably to 1. Join our cleaning teams. 2. Join our occasional maintenance days to tackle a variety of tasks both inside and outside. We need both experienced individuals as well as enthusiastic and willing volunteers. If you can help out please let Liz know on [secretary@hartingtonvillagehall.co.uk](mailto:secretary@hartingtonvillagehall.co.uk) or on 07763 727660.

We have decided to submit an application for a grant from the Garfield Weston Foundation. It is their 60<sup>th</sup> anniversary of supporting voluntary community groups and to celebrate they are offering a number of grants that do not require matched funding. Our Management Group has discussed a range of possible initiatives including a full kitchen refurbishment, relocating the kitchen, replacing the 40+ year old boiler plus radiators as well as improving insulation, a full electrical rewire, and the possibility of replacing the asbestos roof tiles plus adding insulation. Before deciding on the final initiative to put forward we are consulting our user groups to see which option finds most support.

We next meet on 10<sup>th</sup> April so if any reader wishes to contribute to the consultation let Liz know in writing please. We do have forms available that outline the options so far considered. We have until June to make our application, with decisions becoming known by October. Even if unsuccessful, and the odds are long, we feel that the process is invaluable and can support other applications in the future.

**Hartington Through Time**-We are making progress with our research on "who lived in our house", and have started to gather information on quite a few properties in the village. On Saturday 5 May, we will have a small exhibition in the

Village Hall, alongside the Cheese Factory exhibition, where you will be able to come and see what we are doing, and hopefully help us by giving us information as to whom has lived in your house over the years.

If you have any photographs, or sale or deed documents they would also be gratefully appreciated, we will scan them and return the originals to you. We continue to meet on Monday's 7.00 pm to 8.00 pm in the Bakehouse, but would appreciate more people to be involved with the research, so if you would like to join us, please talk to us at the exhibition, or just come along to a meeting. [Lesley Birch](#)

**Hartington Hall YHA Music Festival - Saturday 2<sup>nd</sup> June** Live music, local ales and ciders, food and activities for all the family. Entry is free for Hartington residents, as in previous years and £3 for non-residents. We would very much like to offer local people the opportunity to have a table/stall at a cost of £5. Indoor stalls will be available if the weather is poor.

All funds raised will be given to the YHA's charity "Breaks for Kids". Stall holder booking forms, please contact [hartington@yha.org.uk](mailto:hartington@yha.org.uk) or ring 01298 84223. We look forward to welcoming you to enjoy a family day out.

**Curtain Call-** There has been some interest shown in putting on another performance of "Allo Allo" using an all adult cast. If anyone is interested in playing a part in this hilariously funny play, on or off stage, contact Ian Parsons on 07976513234 or email me at [parsons593@btinternet.com](mailto:parsons593@btinternet.com) Look forward to hearing from you.

**Hartington Sports Dinner and Dance-March 17<sup>th</sup> Hartington Village Hall-** What a wonderful evening of food and dancing, despite the terrible weather. On behalf of the Sports Committee Sarah Bates and myself would like to say a huge thank you to everyone who attended and supported us. We look forward to seeing you all again next year- same time, same place. Let's hope that the weather is kinder to us. Look out for the date of the Beetle Drive in June!

Anna Wardle on behalf of the Hartington Sports Committee.

**HYPAC Disco-** This event was held on March 23<sup>rd</sup> 7-11pm in Hartington Village Hall as a Fundraising family social to support the programme of activities staged for the children. Organised by the HYPAC leaders, spearheaded by Bethany Ball, they do an amazing job. A full report with monies raised will be in the next edition.

**NEIGHBOURHOOD PLAN** -On Saturday and Sunday 10/11 February we held 2 open days in the Village Hall where the results of the Questionnaire and majority of our proposals were displayed on over 80 display boards. Around 50 people attended and completed feedback forms.

On 13 March we met Peak Park Officers to discuss our findings and were encouraged by their response to our Draft Plan. We are now in the process of final amendments, before embarking on a Statutory Consultation phase during which we invite all relevant local and national bodies, such as Natural England, DCC and DDCC to comment on our Plan.

We also ensure that anyone whose land is included in any part of our plan is notified and aware of our proposals. Following this the Peak Park as the Planning Authority will advertise the Plan to the public, including of course all residents and copies of the Draft Plan will be made available in the Village and On-line for anyone who wishes to read the Draft in detail.

The final stage is to submit the Plan to a Neighbourhood Planning Inspector who will decide if the plan meets the requirements of planning law and can be put forward to a referendum of all villagers on the electoral roll. If a majority are in favour, the Plan will become part of the National Parks planning policy.

The above processes take several months, but the bulk of the hard work is now behind us. In this I would particularly like to thank Chris Dullage, Janet Bray, Richard Gregory and Keith Quine for their invaluable help and assistance in getting to

this stage and Leon Goodwin for his technical expertise and time. DAVID ANNAT

**Hartington C of E Primary School-** This has been a very short term made even shorter with the snow interruptions. However, we have managed to ensure that all activities have been completed successfully. We continue to have Worship delivered regularly by MAST as well as Celebration Worships which include a celebration of the children's achievements alongside the act of worship.

The Community Lunches continue to be very well attended. A special Easter lunch was held on 23<sup>rd</sup> March which was preceded by the joining of the school and the community, where the presentation of the British Heart Foundation shield was awarded to the School for the 7<sup>th</sup> Year running by raising the grand total of £2003.50 in a competitive swimathon. This was presented to the proud representatives of the school council by the 'Oldest child in the school', Mr John Dean.

The PTA met on the 7<sup>th</sup> March and have planned a fund raising event which will include the annual Maypole Dancing and other exciting activities. Several of the children were an integral part of the Mothering Sunday Service and helped distribute the posies at the end of the service. On 16<sup>th</sup> March, Mrs Broomhead took 4 of the children to the PE Conference at Anthony Gell School, Wirksworth where they were trained to become School Sports Organising Crews. We continue to participate in the competitions and festival with Biggin Primary School as BIGGHARTS.

We are very fortunate to once again secure the professional services of Rachel Wilkes from Music Partnership, to deliver curriculum music and singing for the spring and summer terms which will culminate in a performance before the end of the academic year. During the final term the children will be attending a programme of swimming lessons. Gardening Club will be in full swing as we help prepare the plants for the village planters as well as grow our own vegetables. The club will be working closely with the upper junior children to support their curriculum topic of 'Allotments'.

**Hartington School and PTA- Sunday May 27<sup>th</sup> 11am- 3pm-** The PTA are proud to announce that they will stage the "Great Hartington Bake Off", The annual Maypole Dancing by the children of Hartington School; and a Walking Village Treasure Hunt. Alongside these events there will be stalls and refreshments will be served.

The timings and details for the "3 in 1" event are listed here- **11am "Great Hartington Bake Off"**- All entries will need to be in the Village hall BEFORE 11am- Late entries will not be accepted. The village hall will be open to receive cakes from 9.30am. The categories are- **Adults-** entry cost £2 per cake – 1. "Show Stopper" - 2. Victoria Sponge – 3. Tray Bake. **Children- 8 years and Over-**Chocolate Brownie; **Children- 7 years and under-** Decorate a cup-cake. Entry fee £1. Winners will be announced after the Treasure Hunt, in the village hall.

**12.30pm- Hartington Primary School Maypole Dancing- and 1.30pm- The Walking Treasure Hunt-** Entry fee of £5 per team and there will be prizes for 1<sup>st</sup> and 2<sup>nd</sup> placed teams. We look forward to seeing you there for a great afternoon of entertainment for all the family.

**Hartington History Day- 5<sup>th</sup> May 11-4pm – Hartington Village Hall-** This "2 for one" event will provide the opportunity for locals and visitors alike to see two exhibitions. The first –a **Cheese Making Exhibition-** a collection of memories, photographs and artefacts from many local cheese factories. This will be staged by Cheese Maker, Alan Salt, who hopes you will bring any photographs you have to copy and share.

Alongside will be "**Hartington Through Time**"- a new project researching "who lived in our house". Please come and see what we are doing and help by providing information on who has lived in your house over the years. Light Refreshments available- Entry Free – Donations Please - Proceeds to Hartington Village Hall.

## **Hartington Open Gardens- July 21/22<sup>nd</sup> –**

This bi-annual festival is being organised this year by Mr John Grosvenor and his team from Hartington Community Group. Invitations and information will be out in the next few weeks, but please put this date into your diary.

It is anticipated that Saturday 21<sup>st</sup> will be a “preview” day for the community and friends,

then opening on Sunday to visitors. The event has been advertised on Derbyshire RHS diary; confirmation of Saturdays programme will be circulated in the next edition of News and Views. There will be many new attractions to enjoy and they have agreed that funds raised will go towards the renovations at the Village Hall

---

## **BIGGIN NEWS**

### **Gravestones-It's the wobble not the angle!**

-Some of the gravestones in Biggin Churchyard have been fitted with warning labels by the District Council, because they are potentially unsafe. It is not the angle they are leaning at but the wobble factor.

A full list of tagged memorial stones is on display in the church porch. The council have advised that, if a stone that you feel responsible for, has a label then it should be checked by a monumental mason for safety. The label can be removed if the stone is not a risk, otherwise families have the option of either having the gravestone made safe or the PCC laying the stone flat once the district council has re-assed.

Jennifer Brindley PCC

**Biggin Primary School-** This very short Spring Term has been disrupted by several events. Firstly, the boiler in the KS1 building broke and it took two weeks and six or seven visits from the heating contractors before the “correct sort of engineer” arrived to sort the problem. This occurred partly in the half-term break and for much of the time we were able to use electric heating. However, the school was closed to KS1 for two days. Fortunately, the heating was working well before the next disruption: snow!

We lost no more time than other local schools and have one family to thank for ensuring the driveway was cleared to enable us to reopen on Monday, 5<sup>th</sup> March.

Now the challenge is pupil and staff absence due to illness! However, we are the fortunate ones. For the first seven weeks of this term we had two

Greek children at school. The difficulties of moving to a new country and attending a school where no one speaks your language became very clear. But I was very impressed by the way our children accepted them, helped them understand and join in. The ability of the Greek children to understand English and begin to express themselves increased enormously during their time with us. Unfortunately, they have now had to move on to another school in another part of the country where I hope they will find some stability.

Special events have been fewer than usual. Y4,5,6 pupils are enjoying some excellent dance tuition with Jose Oliva while Y3 have Yoga lessons. We are very lucky to be able to have support from Jose and benefit from his enthusiasm and experience. Once again, I am running the popular Discovery Club using Logi-blocs and Kapla bricks. Claire Kilner is also continuing with Music Club and Violin lessons for all Y3 pupils. In January, Teresa Nicholls was appointed as the next Head of Biggin School. She has already spent some time in school, getting to know the children and staff. We will have plenty of other opportunities to work together to ensure there is a smooth transfer in September.

**Biggin WI** - The meeting planned for February was the rearranged Christmas meal which was cancelled due to the snow in December. This took place at the Newton House Hotel, everyone enjoyed the evening and belated Christmas gifts were given out. A big thank you to all the team at Newton House for a lovely night.

March saw us back in the village hall for a short business meeting, many things were discussed

including a trip on the canal in Cromford and the Group meeting.

Members had plenty of fund raising ideas and these will be posted later in the year on our website. Our speaker for this evening was talking about astrology charts and how he could tell a person's character, based on the day and time they were born. This depended on how the stars and planets were aligned at the moment they were born and how it could influence their reaction to different situations based on their star chart. This was followed by tea biscuits and the raffle.

**Waterloo Inn** – Firstly, I would like to say how wonderful it was to see so many locals in the pub on a very cold snowy Friday - we appreciate your support. We have a whole year of events planned

but I would like to bring to your attention the Wine Tasting Evening on the 12th April at 7 pm, £10 a ticket which includes the wine, a wine themed quiz and supper. Tickets are on sale now - this was a very good night last time.

On the 18th August the Waterloo Inn is holding their first fun day, with stalls (still a couple left if any organisations are interested) and some activities during the day plus music in the evening.

Our next music will have gone by the time this newsletter goes out, but the following are all booked- MARK HAYWARD - 7th April WINE TASTING - 12TH April ELVIS' LEE GRINDEY - 5th MAY ECLECTIC DUO - 26th May. Hopefully see some, if not all of you, at some of these event Debbie and Steve 01298 84284

## EARL STERNDALE NEWS

The end of May Bank Holiday market is our next major event and this is dependent on help from everyone, as the Christmas market did not go ahead, due to lack of support. I hope we can 'muster' up some help for this event, if you would like to be involved please contact Jen Mellor on 01298 83211 or Mary Wheeldon on 01298 83334.

**Earl Sterndale Church-** A note, to make clear, the current position: Due to lack of attendance at services, no regular services will be scheduled over the winter. In the spring, a public meeting will be held and the position for the future will be assessed. Baptisms, Weddings and Funerals can still be held in the meantime; Please contact the Vicar, The Reverend Richard Benson on 01629 812234.

The date for the next meeting will be (provisionally) April 20<sup>th</sup> 2018 which will also be the AGM, held at The Quiet Woman Inn at 3.00p.m. Please attend this vital meeting about the Church. **Register** - Burial only, the service was held in Higher Buxton Methodist Chapel. Trevor Sweetmore 20<sup>th</sup> February 2018

**Thanks-** A huge thank you to my family, friends and neighbours, for their concern, during the recent snowfall and also a week later, when we were 3 days without water. I really did appreciate everything. Mary Wheeldon

**Hartington Middle Quarter Parish Council-** Our next meeting is on 4<sup>th</sup> June 2018 at 7.30 pm, in The Chapel, to which all are welcome. Parish Council website. [www.hartingtonmiddlequarter-pc.org](http://www.hartingtonmiddlequarter-pc.org)

**Earl Sterndale Primary School** - It has been a busy few weeks at Earl Sterndale School, what with the 'Beast from the East' bringing the entire country to a standstill, followed by no water forcing school to close. We seem to have spent more time out of school than in!! Nevertheless, we found time for a pie and peas supper which raised over £400

(many thanks to all involved in organising the event).

The White Hall trip is always a great week. Many of the children are spending time away from home for the first time and this, combined with a whole host of outdoor activities like abseiling, rock climbing, caving and orienteering, can make it a daunting prospect, especially for some of the younger ones – we had children from Y3 with us for the week. Despite this, the children had a great time. We share the centre with children from 3 other local schools and our children relish the opportunity to meet and make friends with children from other schools. They had a brilliant time abseiling from the bridge at Miller's Dale and caving at Pikehall. Even the snow on Thursday didn't put us off – we spent the morning sledging. We returned on Friday tired, grimy and ready for a bath but at the same time elated and proud of what we had achieved.

We are starting a local history project at school – if anyone has interesting stories about the area to tell or some artefacts to share, please get in touch and let us know. If you are interested in joining us as we attempt to organise and categorise the wealth of information we have, please do not hesitate to let us know.

For the first outing of the year we are returning on 11<sup>th</sup> April to our all-time favourite venues – a carvery lunch at The Boar's Head, Sudbury followed by a visit to Byrkley Park Garden Centre, which is a great place for gardening equipment, indoor and outdoor plants, gifts, crafts, books, jewellery, clothes and food, and also has an excellent restaurant for that tea and cake!

2018 is the Club's 60<sup>th</sup> anniversary year and as part of our celebrations we are also celebrating the natural, built and cultural heritage of the South West Peak, with a grant from the South West Peak Landscape Partnership. The first part of this celebration will be a talk by our old friend Alan Salt on the cheese factories in the area, sadly now gone. This will be at 2.30pm on 25<sup>th</sup> April in Alstonefield Village Hall, and his talk will be followed by a lovely home-made afternoon tea. On 9<sup>th</sup> May we will be lunching at The Flowerpot, Macclesfield and after lunch we will have a drive into the historic and beautiful Macclesfield Forest.

On 23<sup>rd</sup> May at 6.30pm our speaker will be Byron Machin, his talk being 'The Mist Covered Mountains of Home', again on the heritage of the South West Peak. For evening meetings, we eat our tea before the speaker – tea at every meeting costs £5. You are invited to bring a small item for the grocery raffle and something for the Bring and Buy Table.

We warmly invite anyone to join us at meetings or on outings. The coach for every outing costs £6 and can pick up from several villages. You do need to book your place on the coach, so please ring Lorraine on 01335 310353 or Ann on 01298 84394 by a week before.

## **Alstonefield and District Friendship Club**
