

Offering Spiritual and Pastoral support to the Agricultural and Rural Community

Administrator: Derbyshire Rural Chaplaincy

Salary: £27,852 (full time wage)

Hours: 22 hours per week. Flexible working hours to provide admin cover throughout the week with occasional weekends and evenings.

Contract: 3-year fixed term contract (Including and subject to a 6-month probationary period)

Benefits: Pension and statutory holiday entitlement

Location: Home working, including working out of the Agricultural Business Centre and occasional travel across Derbyshire, when required.

About the Role

This is an exciting post to support the Derbyshire Rural Chaplaincy team (DRC) develop new and existing mission and ministry opportunities that engage with the agricultural and rural community in Derbyshire. The Chaplaincy team seek to be distinctively Christian in their approach and witness as they support and encourage all current and retired members of the farming sector, in the midst of the ongoing challenges they face.

- You will be a gifted and experienced administrator.
- You will provide dedicated administrative support to the Lead Agricultural Chaplain and the DRC Steering Group.
- You will be a first point of contact for people and organizations contacting the DRC.
- You will assist in coordinating special events and worship services organized by the Rural Chaplaincy team and with the rural church.
- You will have experience of working or living in a rural setting and ideally have a good understanding of issues that relate to the agricultural community.
- You will need to be enthusiastic, creative, approachable, and able to handle confidential information in an appropriate manner.
