

The Warmer Homes Project

Residential Energy Services Energy (RES) are bringing their independent, impartial energy advice service to your community hall.

Supported by

SOcially
GRoWN.

Enter the
FREE raffle
to win one of three prizes

Come along to our local RES Energy Advice pop up

Thursday 7th December
10:00 - 13:00

**Hartington Village Hall,
Hyde Lane, Buxton,
SK17 0AW**

You will get the opportunity to have a **free energy advice consultation** with qualified RES energy advisors and assessors. The consultation will help you to:

Take control of your energy consumption

Understand and implement best practice behaviours around energy advice without having to compromise your individual needs

Plan for energy consumption and costs

Understand more about measures which can be taken/installed to improve the efficiency of your home and reduce energy consumption (from installation of energy efficient light bulbs to solar PV and battery installations)

Tea, coffee and biscuits provided

Determine which home energy efficiency measures might be right for you

Understand more about available funding for home energy efficiency measures

Check qualification for fully funded home energy efficiency measures

Where appropriate, receive support to navigate the funding application journey, helping you to access funding to cover the cost of home energy efficiency measures that are right for you

Why not join us, talk to our independent and impartial qualified advisors and let us help you to start your journey to a more energy efficient home.

WANT TO
SAVE MONEY
ON YOUR ENERGY BILLS?

Hello.

We are Residential Energy Services.
